

Holiday Newsletter

Date: 23rd July 2010.

Welcome to this newsletter

We hope you're all excited about becoming year 4 pupils next year. These are pieces of homework for you to complete so your brains don't forget everything good you have done in year 3!

Literacy

- Keep a diary about your holiday; you could fill it in weekly describing the main things that have happened.
- Perhaps you could make your own diary book, using your book making skills from creativity week.
- You could also include photographs, pictures, postcards or small souvenirs in your diary.
- Remember to bring your diary into school for the first day of term.

Numeracy

- Learn all of your times tables.
- Ask someone at home to test you and see how fast you can work out the answers.
- You will have a times table test in your Numeracy lesson in the first week back.
- Remember, practice makes perfect.

Topics

We will be looking at the following topics next year. You could use the internet or the library to do some research.

Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Africa	The Environment	Ancient Greeks	Living Things	The Romans	Ourselves - Moving and Growing

As our first topic is Africa, it might be a good idea to find out some facts about the continent such as:

How many countries are there in Africa?

What is the capital of Africa?

What is the climate like? (Etc... I'm sure you can think of some of your own questions.)

Dates for Your Diary

Staff development days - Wednesday 1st September

First day back - Thursday 2nd September

We hope you enjoy your summer and come back ready to learn lots more.

Miss Chellen

Mr Smith
